

* * * * *

GIG LIGHTING :

There are 6x Evora 1000 moving heads, 6x Performer 18 LED Parcans, 2x Atomic 3000 Strobes & 2x 4 cell moles on the rig – if required we have a local company who can supply 2x Robe 575AT Spots & 2x Robe 575AT Washes to supplement the in-house equipment. For an old school look I still have some old 1000W CP61 & CP62 Parcans with a selection of gels

GIG PA :

Various local companies are available

* * * * *

STAGE DIMENSIONS :

8m x 4m sitting @ 1.5m from floor

5.5m clearance above stage

* * * * *

* * * * *

BARRIER :

In-house - 12x sections of Mojo and 6x sections of “bike-rack” style

* * * * *

PARKING :

Metered bays along the side of the venue in Johnston Street

Power is available on either a 16A or 32A cee-form

Metered bays at the stage door in North Lyndsay Street

Power is available on a 16A cee-form

* * * * *

LOAD IN / LOAD OUT :

The gig level is situated on the ground floor of the venue, there is a flat push from the street along the service corridor then a small flight of stairs up onto the stage. There is a goods lift to take wardrobe cases etc. to the dressing room level

* * * * *

DRESSING ROOMS :

Two heated lockable rooms located one floor above the stage level. Neither have en-suite but there is a shower and toilets serving both rooms on the same floor. The rooms contain a fridge, kettle, mirror, cutlery and crockery and there is access to a washing machine, tumble dryer and iron

A small smoking balcony is accessible from the larger of the two dressing rooms for use by band / touring crew personnel

* * * * *

WiFi :

Available throughout the venue

* * * * *

PROMOTER / TM :

A heated lockable office is available

* * * * *

MERCHANDISE :

An area is reserved near the front door – tables are available if required and there is a 13A socket for plugging in lights. In common with other venues we charge a 10% fee - but usually waive this in exchange for some free t-shirts :)
